

Powerful Home Theatre Sound

Two bi-amplified mid-woofers, two tweeters, and advanced DSP processing paired with a powerful wireless subwoofer with two drivers add dimension and depth to your favourite movies and TV shows.

Supports Popular Surround Sound Formats

Supports Dolby Digital, Dolby Digital Plus and DTS decoding for an immersive surround sound experience. HDMI input and output features Audio Return Channel (ARC) for single cable connection from the soundbar to your TV. Supports 4K with HDCP 2.2, Dolby Vision and HDR10.

Simplified Setup

Never worry if the DHT-S516H will work with your TV or not; the included HDMI and Optical cabling makes certain your soundbar is compatible with any source. The included IR blaster and HEOS IR learning function allows for control with your TV remote if the soundbar is blocking its IR receiver (sensor).

Stream Music via AirPlay 2, Bluetooth and HEOS Built-in

Stream music effortlessly with Apple AirPlay 2 compatibility and built-in Bluetooth technology. And because it works as a HEOS speaker, you can wirelessly stream music in one room or with other HEOS products, controlling it all with the free HEOS app.

Amazon Alexa Voice Control

Simply activate the free HEOS Home Entertainment Skill and go hands-free with Amazon Alexa and your voice. Say the word and the DHT-S516H will adjust the volume, skip to the next track, and more. Requires Alexa app and Amazon Echo, Dot or equivalent.

High-Resolution Audio Playback

Enjoy the ultimate music listening experience with high-resolution playback, whether you stream over your network or plug in a USB to play previously saved tracks. Supports WMA (up to and including 192kbps AAC), MP3 (up to and including 320kbps), WAV, ALAC and FLAC (up to and including 24-bit/192kHz), and DSD: 2.8MHz or 5.6MHz.
